

## Used Lockers for Sale

Ontario School District is offering used lockers for sale. There are approximately 140 used lockers for sale in a variety of size, shape, color, and condition at this time. Lockers have been removed from the building and are currently outside and ready for pick up. Some damage has occurred during the removal and all lockers are for sale as is where is. Buyer is responsible for pick up, loading, and removal, the district will not load for you. No disassembly is allowed on school property. Lockers are in banks of three or four. Keys are not available, combinations might be available when the school year starts but not guaranteed. These are being offered to the highest offer first, and then we will work down the list from highest offer to lowest until all lockers are gone. Price will be per locker unless specified that an offer is being made for the lot or a certain amount of lockers. As seen in the picture, there are single, tall lockers and there are top and bottom lockers available. Offers will be accepted until July 10<sup>th</sup> and then we will begin releasing them for sale.
